GET FEES PAID QUICKLY

Incorporating JustFund into your invoicing is the fastest way to ensure client fees are paid on time since we issue direct payments.

We do this throughout a funded client's matter, not just at the end.

This is also available for eligible existing clients on deferred payment arrangements.

SET UP PAYMENTS EASILY

Our team will contact your firm to verify the trust account details through a secure communication channel, then:

1. Include JustFund as a payment option with client invoices.
2. Ensure all relevant invoices 'cc' invoices@justfund.com.au to facilitate your client's approval.
3. Once authorized by the client, our team will facilitate the payment process usually within one business day.

VERIFY TRUST ACCOUNT DETAILS EARLY

For prompt payment, we need verified trust account details from:

1. A Principal/Director or
2. A nominated Account Team Lead
